

REMARKS

Claims 1-29 are pending in this application. Attached hereto is a complete listing of all claims in the application, with their current status listed parenthetically. By this Response, claims 24-27 and 28 have been canceled without prejudice to later prosecution.

Allowed Claims

At the outset, Applicant acknowledges with appreciation the Examiner's indication that claims 1-23 and 28 are allowed. In response, Applicant cancels pending claims 24-27 and 27. Applicant respectfully submits that the application is now in condition for allowance.

Rejection Under 35 U.S.C. § 102(e)

Claims 24-27 and 29 stand rejected under 35 U.S.C. §102(e) as being anticipated by U.S. published patent application 2003/0095609 ("Cowie"). As discussed below, Applicant respectfully traverses this rejection.

As claims 24-27 and 29 have been cancelled without prejudice to later prosecution, this rejection is now moot.

Conclusion

Applicant believes that this Response has addressed all items in the Office Action and now places the application and claims 1-23 and 28 in condition for allowance. No fee is believed due with this response. However, the Commissioner is authorized to charge any fee required to our Deposit Account No. 50-3143, in the name of Pulse-Link, Inc. Should any issues remain unresolved, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

October 24, 2005
